

Priestsic Primary and Nursery School

Phase 4 Parent Information

Children entering Phase Four will be able to represent 42 phonemes by a grapheme and be able to blend to read and segment to spell CVC words containing these. They will be able to read sentences and some simple two syllable words and longer words. They will be able to read and spell some tricky keywords.

Phase Four supports children to consolidate their knowledge of the graphemes in reading and spelling. During this phase, they will extend their knowledge and skills to blend to read and segment to spell CCVC and CVCC words and polysyllabic words. In addition, they will learn to read and spell some tricky keywords. By the end of Phase Four, children should be secure at reading and spelling CCVC and CVCC words and some polysyllabic words and longer words. They will be able to read and write sentences containing the taught phonemes and tricky keywords.

Please see the Little Wandle website for further information regarding this and videos on how to pronounce the sounds.
