

Liz Kitts

I have been a Governor for over 20 years, in two Nottinghamshire schools. I started my teaching career at Priestsic Primary School and left the school 20 years ago to become an Education Improvement Adviser in Nottinghamshire Primary Schools with a focus on Early Years, Assessment, and Professional Development for teachers. I share the same ethos and values as Priestsic as an educationalist. Priestsic has shaped who I am and I often say I have Priestsic running through the middle of me! I wanted to give something back to the school and the Priestsic community, being chair of the governing body is enabling me to do that. As a teacher, I miss working with children, so being part of Priestsic keeps me in touch with the day-to-day reality of school life! As a governor I get involved in all aspects of school life and I enjoy working with our team of governors to find ways through challenging situations, whilst making sure that the children benefit.
