

## **Priestsic Primary School**

## **Primary Schools Sports Funding 2016-17**

### **What is the Sports Premium?**

The Government is providing over £450 million on this funding for academic years 2013/14, 2014/15 and 2015/16 to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children.

The sports funding can only be spent on sport and PE provision in schools.

### **Purpose of funding**

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding include:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools
