Aspire Believe Achieve

Dear parents and carers,

A huge thank you to all of you who completed the Parental Survey – your responses were very much appreciated and were overwhelmingly positive.

Here are some of the headlines:

97% of people who responded said their child feels happy at school, 98% stated that their child feels safe at Priestsic and 95% of parents would recommend our fantastic school to others.

We're really pleased that so many parents attended the year group meetings to share your child's learning for the upcoming academic year. For those of you who were unable to attend, the presentations are available on class dojo for you to access. Don't forget to check out your child's half-termly newsletter which shares important information every half term. These can be found on class dojo, the school's Facebook page and the school website (<https://www.priestsicprimaryschool.co.uk>). As you know, class teachers also update class dojo regularly with information and photographs of the exciting learning that takes place. We also look forward to inviting you to our Learning Cafes – a fantastic opportunity for children to share their learning journey with you.

We have also considered carefully how we run our parents' evenings this year and ran a parent survey to ensure that they are convenient for all. Thank you to everyone who responded. As a result, we will be running a 'hybrid' parents evening where you will have the option of a face to face meeting after school, a face to face meeting during the school day or a telephone call at your convenience. As always, please don't hesitate to get in touch with your child's class teacher if you would like any updates about your child's progress.

We are pleased to be continuing to build the parent and school partnership to support your child's learning journey through Priestsic. Thank you, as always, for your support.

Mrs Small and Mrs Hewitt
